

Mountain Pine Beetle – February 2019 Call for Proposals – Projects Approved April 2019

- (1) **2019 Log Yard Management Program** (Blue Ridge Lumber Inc.); Term of project – May 2019 to December 2019; Project category – Pheromone Baiting/Dispersal – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard and 3 satellite log storage yards.

- (2) **2019 Protection of Genetic Trials and Orchard** (Blue Ridge Lumber Inc.); Term of project – May 2019 to December 2019; Project category – Seed Orchard/Genetic Trial(s) Protection.

The objective is to protect 1 lodgepole pine seed orchard and 5 progeny field trial sites.

- (3) **MPB Detection, Control and Prevention at the Huallen Seed Orchard** (Canadian Forest Products Ltd.); Term of project – May 2019 to October 2019; Project category – Seed Orchard/ Genetic Trial(s) Protection.

The objective of this project is to protect 2 lodgepole pine orchards.

- (4) **MPB Detection, Control and Prevention on HASOC's 10 Genetic Lodgepole Pine Field Trials** (Canadian Forest Products Ltd.); Term of project – May 2019 to December 2019; Project category – Seed Orchard/ Genetic Trial(s) Protection.

The objective is to protect 10 lodgepole pine genetic field trial sites.

- (5) **2019 Log Yard MPB Program**, (Foothills Forest Products Inc.); Term of project – June 2019 to November 2019; Project category – Pheromone Baiting/Dispersal – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard and 4 satellite log storage yards – 2 km Smoky Yard, 31 km Simonette Yard, 35 km Smoky Yard and the 54 km Ghost Yard.

- (6) **2019 Log Yard Management Plan**, (Millar Western Forest Products Ltd.); Term of project - May 2019 to November 2019; Project category – Pheromone Baiting/Dispersal – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard and 12 satellite log storage yards.

- (7) **2018/19 Central Region MPB Annual Report**, (Millar Western Forest Products Ltd.); Term of project – April 2019 to June 2019; Project category – Regional Planning.

The objective of the project is to build on the 2017/18 Annual Action Plan to provide an update on the current MPB situation in the Central Region, summarize control activities, and produce forecasts on the spread of MPB under current harvesting and control activities.

- (8) **2019 Pembina Log Yard Management Program**, (Weyerhaeuser Company Ltd.); Term of project – April 2019 to November 2019; Project category – Pheromone Baiting /Dispersal – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the Edson and Drayton Valley mill yards.

- (9) **Log Yard Management Plan**, (Edson Forest Products, A Division of West Fraser Mills Ltd.); Term of project – June 2019 to December 2019; Project category – Pheromone Baiting/Dispersal – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard in Edson.

- (10) **Log Yard Management Plan**, (Hinton Wood Products, A Division of West Fraser Mills Ltd.); Term of project – June 2019 to December 2019; Project category – Pheromone Baiting/Dispersal – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard in Hinton.

- (11) **2019 MPB Protection of Genetic Trials, Orchards and Research Plots**, (Hinton Wood Products, A Division of West Fraser Mills Ltd.); Term of project – May 2019 to December 2019; Project category – Seed Orchard/Genetic Trial(s) Protection.

The objective is to protect 1 lodgepole pine orchard and 10 lodgepole pine genetic field trial sites.

- (12) **2019 MPB Dispersal Baiting Program**, (Sundre Forest Products Inc.); Term of project – June 2019 to September 2019; Project category – Pheromone Baiting/Dispersal – Long Distance Dispersal Monitoring.

The objective of the project is long distance dispersal baiting in 62 townships to ensure early detection of MPB on the Sundre Forest Products' FMA and follow up control activities as required.

- (13) **2019 Ground Surveys (R-Value)**, (Hinton Wood Products, A Division of West Fraser Mills Ltd.); Term of project – April 2019 to July 2019; Project category – Ground Surveys.

The objective of the project is to prepare and implement a mountain pine beetle R-value survey program on the Hinton Wood Products' FMA that compliments the Alberta Agriculture and Forestry plans.
