

Mountain Pine Beetle Program - February 2021 Request for Proposals

Projects Awarded April 2021

- (1) **Log Yard Management Plan,** (Blue Ridge Lumber Inc.); Term of project – May 2021 to December 2021; Project category – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard in Blue Ridge and two (2) satellite yards.

- (2) **Protection of Genetic Trials and Orchard,** (Blue Ridge Lumber Inc.); Term of project – May 2021 to December 2021; Project category – Protection of Genetic Trials, Orchards and Research Plots.

The objective of the project is to protect genetic field trials and the orchard site managed by Blue Ridge Lumber.

- (3) **MPB Detection, Control and Prevention on HASOC's Ten Genetic Lodgepole Pine Field Trials,** (Canadian Forest Products Ltd.); Term of project – May 2021 to December 2021; Project category – Protection of Genetic Trials, Orchards and Research Plots.

The objective of the project is to protect ten (10) genetic lodgepole pine field trials.

- (4) **MPB Detection, Control and Prevention at the Huallen Seed Orchard Company Ltd. Facility,** (Canadian Forest Products Ltd.); Term of project – May 2021 to November 2021; Project category – Protection of Genetic Trials, Orchards and Research Plots.

The objective of this project is to protect two (2) lodgepole pine orchards.

- (5) **Log Yard Management Plan,** (Foothills Forest Products Inc.); Term of project – June 2021 to November 2021; Project category – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard and four (4) satellite log storage yards.

- (6) **Genetic Test Site and Orchard Protection,** (Hinton Wood Products – a Division of West Fraser Mills Ltd.); Term of project – May 2021 to December 2021; Project category – Protection of Genetic Trials, Orchards and Research Plots.

The objective of the project is to protect genetic field trials and the orchard site managed by Hinton Wood Products.

- (7) **Edson Forest Products Log Yard Management Plan**, (Hinton Wood Products, a Division of West Fraser Mills Ltd.); Term of project – June 2021 to December 2021; Project category – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard in Edson.

- (8) **Log Yard Management Plan**, (Millar Western Forest Products Ltd.); Term of project May 2021 to November 2021; Project category – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard and satellite log storage yards.

- (9) **2020/2021 Central & Foothills Area Mountain Pine Beetle Annual Report**, (Millar Western Forest Products Ltd.); Term of project – April 2021 - June 2021; Project category – Regional Planning Initiative.

The objective of the project is to build on the 2019/20 Annual Action Plan to provide an update on the current MPB situation in the Central & Foothills Area, summarize control activities, and produce forecasts on the spread of MPB under current harvesting and control activities. This year Sundre Forest Products Ltd. will be included in the report along with Millar Western Forest Products Ltd., ANC Timber Ltd., West Fraser Mills Ltd. (Edson and Hinton), Vanderwell Contractors (1971) Inc., Tolko Industries Ltd. (High Prairie) and Weyerhaeuser Company Limited (Pembina).

- (10) **MPB Dispersal Baiting Program**, (Sundre Forest Products Ltd.); Term of project – May 2021 to December 2021; Project category – Long Distance Dispersal Monitoring.

The objective of the project is to conduct long distance dispersal baiting in 55 townships to ensure early detection of MPB on the Sundre Forest Products' FMA with single tree control activities as required.

- (11) **Log Yard Management Plan**, (Weyerhaeuser Company Limited); Term of project May 2021 to November 2021; Project category – Log Yard Management.

The objective of the project is to monitor and contain mountain pine beetle populations at the mill yard and satellite log storage yards.
