

# FRIAA FRIP Request for Expressions of Interest (RFEOI)

Data Storage and Distribution Solution

## Supplemental Question & Answers #3

Question Received: **November 15, 2024, and November 19, 2024**

Response Date: **November 19, 2024**

**QUESTION #1:** Is it possible to get an extension on the RFEOI submission date?

**ANSWER #1:** Unfortunately, there are no extensions for the Expressions of Interest.

**QUESTION #2:** The RFEOI document states the due date as November 21 at 14:00 MST, but the online submission portal lists it as November 20. Could you kindly confirm which date is correct?

**ANSWER #2:** There appears to be a glitch on the portal submissions page. If you are located in British Columbia the submission date on the funding opportunity in the portal will show the due date one day earlier than the RFEOI documents. For clarity RFEOI is due Thursday, November 21, 2024 at 14:00 MST.
