Any additional questions can be submitted in writing to [admin@friaa.ab.ca](mailto:admin@friaa.ab.ca) until 2:00 pm on January 28, 2026. Answers will be posted to the FRIAA website within 48 hours after receipt.

## **Additional Questions #1**

**QUESTION #1: Can we apply for funds for a project but delay the start of the project for a few years? Or do projects need to start immediately?**

FRIAA recognizes that project start dates may be delayed due to operational considerations (i.e. field seasons) and can accommodate delayed start dates within reason. If a project is to have a delayed start date, please describe rationale within the workplan section of the application.

**QUESTION #2: We currently have another in progress Project within FRIP, and are wondering if we are eligible to have two ongoing FRIAA FRIP funded projects, so long as the scope does not overlap?**

Yes, grant recipients may have more than one project ongoing simultaneously so long as the projects are for unique activities.
